

North West England

ADULT INTOPS SELECTION DAY

Saturday 22nd April

What's it About?

This is a selection event for Leaders hoping to lead our Region International trips in 2018. If you're an Adult Leader interested in travelling abroad, come and meet the Region's International Advisers. Learn about the international opportunities that are available through guiding in the Region and how you could get involved.

Interested?

Next year we will be running three trips, the destinations of which will be announced in the near future. At least one trip will be community service based, whereas the others may involve more adventurous activities, or have a key emphasis on being girl-led. We will also be running an ICE trip, which is an International Community Experience for Guides aged 11 - 13.

Am I the right person?

We're looking for Adult Leaders that are up for a challenge! We welcome applications from any individual who would like to take part. Groups are also welcome to apply as a 'ready-made team'. We are particularly keen to meet Adult Leaders who may be interested in more challenging trips, rather than European jamboree-style events. All in all, applicants should possess personal confidence, good organisational skills, strong interpersonal skills and commitment. They should also meet the key requirements overleaf.
