Challenges

We know our Leaders love exploring new ideas and challenges to work on with their units, to supplement their ongoing work on the Girlguiding programme, so here at Girlguiding North West England we're continually working hard to come up with new resources and challenge packs for all of our members to enjoy. We will be launching our new challenge packs in:

January

March

November

Awards Nominations

If you know someone who has gone above and beyond and is a real guiding star, then why not nominate them for one of the fantastic guiding awards here -

The deadline for nominations are:

31 January

31 July

Grants and Funding

Don't forget that trainings are a legitimate unit expense! There may also be help towards training expenses from your District, Division or County. Please speak to your local Commissioner for more information.
