

ICE FRIDAY 6 OCTOBER - SUNDAY 8 OCTOBER

What's it about?

International Community Experience (ICE) is for Guides aged 10-12 (D.O.B between 31/08/04 - 01/07/07). The purpose of an ICE weekend is to give girls a taste of community action, increase their global awareness and prepare them for international experiences.

ICE weekends present a chance for Guides to learn what community action involves, and to explore different communities by talking to local people and working with local organisations.

Those girls who are interested in further community action have the exciting opportunity to work on a Community Project (Final Project weekend) abroad.
