Girlguiding

North West England

BLOOM - SRI LANKA PROJECT

Saturday 17 March 2018

What's it about?

Guiding Overseas Linked with Development (GOLD) worked with the Sri Lanka Girl Guides Association between 2011 and 2015. In order to further support the organisation, Girlguiding North West England has committed to a four year project, which will focus on helping to further develop the Rangers' section, for 17-21 year olds, by expanding the programme and recruiting and training leaders.

This is a selection event for adult members (aged 18+) wishing to participate in this project and available to travel to Sri Lanka for approximately 2 weeks in March 2019 (dates to be confirmed, but likely to be during term time). Come along and meet the project's lead volunteers and learn more about the trip.

Am I the right person?

We're looking for members aged 18+ who are up for a challenge. We are particularly keen to meet members with some international experience, but who do not feel ready to lead a project-based trip for young members, as well as those who have missed out on GOLD opportunities. Those selected will be expected to take on active roles in the planning and preparation of the trip, in order to further develop as leaders whilst challenging themselves and having their own adventure. A level of commitment will also be required upon returning from Sri Lanka to further support the project going forward, as well as the trips in future years. Applicants should possess personal confidence, good organisational skills, strong interpersonal skills and commitment.
