What's it About?

The DofE provides a nationally recognised Accreditation Scheme for Expedition Assessors (EAAS). The aim of the EAAS is to prepare and accredit Assessors to undertake expedition assessments.

This one day course will:

- Ensure a common understanding of the role of the Expedition Assessor
- Ensure a consistent interpretation of the 20 conditions of the Expedition section
- Establish a positive and supportive approach to the assessment process

Pre-course Requirements

All participants should complete the DofE online e-induction knowledge check and the Expedition Assessor online pre-course learning, and bring letters of completion to the course. These can be found at the following address: www.DofEtraining.org. On receipt of your application you will be sent further information and a delegate application form (EAAS/3). Please fill in your details and sections A and B of the form and bring it with you. Photos to accompany the form will be taken and sections C and D will be completed on the day. Following this one day course you will be required to complete a supported assessment within two years in order to complete the accreditation process. Please note that there will be an administrative fee of £5.20 when you apply to CHQ for accreditation which can be claimed back from your County.
